To Whom It May Concern:

It is with great pleasure that I am offering you this letter of reference for Mr. David Morton. I have had the privilege of benefiting from his services over the past several years and his attention to detail is uncanny. As the director of a nonprofit often times we do not have funds to pay for services such as database development. Mr. Morton has generously donated his time and expertise to assist us in designing a database that serves our benefit auction of over 300 guests.

Mr. Morton performs his duties professionally and is a joy to work with; his skills would be an asset to any organization. I would strongly encourage you to consider utilizing his services as I feel you will not be disappointed. If you would like to contact me to discuss Mr. Morton I would be happy to visit with you.

Sincerely,

Michael L. Crouch
